

		Rating			Points
		Excellent	Proficient	Poor	
Depth of reflection		Demonstrates conscious and thorough understanding of the knowledge and concepts relevant for the topic being discussed. Brings a unique and nuanced perspective to the topic at hand.	Demonstrates a basic awareness of some of the of the knowledge and concepts relevant for the topic being discussed. Does not extrapolate past the ideas discussed in class and course materials.	Demonstrates little or no awareness of the of the knowledge and concepts relevant for the topic being discussed. Makes no effort to engage with the topic	40
Point range		40-35	35-25	<25	
Substantiation of claims		Makes clear claims and provides specific and relevant evidence to support claims and interpretations	Makes claims and provides relevant support and interpretations	Either no claims are made or they are not well supported	30
Point range		30-25	25-15	<15	
Organization/ Structure		Poster is well organized and each element supports the main thesis. Makes clear claims and provides specific and relevant evidence to support claims and interpretations.	The poster's organization detracts from the author's attempts to communicate the central claims. Claims may be vague and only weakly supported by evidence and interpretations.	The poster has no coherent structure.	30
Point range		30-25	24-10	<10
